Explanation of Responses:

1. On February 22, 2024, the reporting person filed a Form 4 reporting the shares reflecting the amount of taxes withheld in connection with the settlement of performance share units into common stock that were granted under the Martin Marietta Amended and Restated Stock Based Award Plan on February 17, 2021. The amount of shares received under the grant depended on the achievement of performance goals during a three-year performance period from January 1, 2021 through December 31, 2023. On February 20, 2024, Martin Marietta's Management Development and Compensation Committee certified the attainment of the applicable performance goals and approved the settlement of the PSU grant. The previously filed Form 4 did not include the gross shares awarded upon achievement of the performance goals.
